ANDREA

F. De André | M. Bubola

Andrea got lost, he got lost
and he doesn't know the way back
Andrea had a love, black curls
Andrea had a pain, black curls.

It was written on a sheet of paper
that he had died on the flag
it was written and the signature was in gold
it was the signature of the king
killed in the mountains of Trento by a machine gun.

Eyes of the wood, farmer of the kingdom, French profile
eyes of the wood, soldier of the kingdom, French profile
and Andrea has lost it, he has lost love, the rarest pearl
and Andrea has a pain in his mouth, the darkest pearl.

Andrea picked violets at the side of the well
Andrea threw black curls into the round of the well.
The bucket told him: "Sir, the well is deep
deeper than the depths of the eyes in the Night of Tears".
He told him: "It's enough for me,
it's enough for me
that it's deeper than me."
