God of heaven, if you want me
among other men you will seek me.
God of heaven, if you seek me
in the corn fields you will find me.

God of heaven, if you want to love me
descend from the stars and come and seek me.
Oh, God of heaven, if you want to love me
descend from the stars and come and seek me.

The keys to heaven I don't want to steal
but a moment of joy you can give me.
Oh, God of heaven, if you want to love me
descend from the stars and come and seek me.

Without you I no longer know where to go
like a blind fly that can no longer fly
oh, God of heaven, if you want to love me
descend from the stars and come and save me.

And if you have given us tears and rice,
then we on earth have not shared this,
oh, God of heaven, if you want to love me
descend from the stars and come and seek me.

Oh, God of heaven, if you seek me
among other men you will find me.
God of heaven, if you seek me
in the corn fields you will find me.

God of heaven, I will wait for you
in heaven and on earth I will seek you.

Oh, God of heaven, oh God of heaven...
