*Terzo intermezzo*

The dust, the blood, the flies, the smell  
on the road and in the fields people who die.  
And you, you call it war and you don't know what it is  
and you, you call it war and you can't explain why.

Autumn in your eyes, summer in your heart  
the desire to give, the instinct to have.  
And you, you call it love and you don't know what it is  
and you, you call it love and you can't explain why.
