Like two barrels on the butt of a rifle  
like two promises in the same April  
like two serenades at the same window  
like two hats on the same head  
like two coins on the palm of a hand  
like two nightingales rain and feathers on the same branch.

Titti had two loves  
one of heaven and one of earth  
of a contrary sign  
one in peace and one in war.  
Titti had two loves  
one on earth and one in heaven  
basically of a contrary sign  
one good one true.

Like the hands of the same clock  
like two knights in the spell  
and it was two pieces of wood that made the cross  
surrounded by two thieves with the same voice  
like two answers with one word  
like two wishes for a single star.

Titti had two loves  
one of heaven and one of earth  
of a contrary sign  
one in peace and one in war.  
Titti had two loves  
one on earth and one in heaven  
basically of a contrary sign  
one good one true.
