WALTZ FOR A LOVE

Valzer per un amore

(Music from "Valzer campestre" from the "Sicilian Suite" by Gino Marinuzzi senior)

G. Marinuzzi | F. De André

When, laden with years and chastity,
among memories and illusions
of the good times that won't come back
you find my songs,
in listening to them you'll be amazed
that someone praised
the beauty that you will no longer have then
and that you had in the past.

But the memory won't help you
it will only help you cry
over your refusal of my love
which won't come back.
But it won't help you at all
it will only help you cry
over your eyes that no-one will sing about any more.

Time flies, you know that it flies and goes
perhaps we won't realise
further on in time that it has no age
we are the ones who are going away.
And for this I tell you love love
I will wait for you every evening
but come wait no more
come now, as it's spring.
